

# YOUR HEALTH IS OUR #1 PRIORITY

If you're worried about the Coronavirus (COVID-19), please be reassured that we are following the health and safety guidance as prescribed by the Centers for Disease Control and Prevention (CDC), as well as the local public health department.

## Here are the actions we are taking

### Keeping People Safe

- We train our employees on health and safety standards.
- We screen the health of our employees, patients and suppliers.
- We require patients to wash their hands immediately upon entering facility.
- We require employees and patients to wear a face mask at all times.

### Securing a Healthy Environment

- We are deep cleaning and disinfecting our facility continuously.
- We are taking measures to ensure social distancing, including floor signage.
- We disinfect all patient areas and MRI equipment before and after every patient.

### Creating a Flexible Workplace

- We are not over-staffing to limit exposure.
- We accommodate employees who prefer to shelter in place.
- We offer work from home assignments to employees when available.
